“You are what you eat” is not just an old bit of folk wisdom. It is actually well documented by the studies of modern dietitians. Nourishment is an essential need, and the kind of nourishment we receive can significantly affect our lives. A good balanced diet provides energy, helps prevent disease, and improves our disposition. If we eat junk food on a consistent basis, we tire easily, our immune system breaks down, and we are much more prone to illness and irritability.

This weekend we celebrate the feast of Corpus Christi, the body of Christ sacramentally given to us as food. Jesus offers his body and blood as nourishment so that we truly become what we eat. Admittedly, the very idea that we partake of the body of Christ in communion sounds unimaginable. However, do we understand Jesus correctly when he offers his body as food? Our Gospel reading is actually quite clear: “For my flesh is true food indeed and my blood is true drink.” But how is this possible?

The question is answered when we understand something of the nature of love. Simply, God is love. Love seeks to communicate itself; it seeks communion. Jesus gives - shares - himself with us in love. “This is my body, which is given for you. Do this in remembrance of me.” It can take more than a lifetime for us to really learn just how much God really loves us, how much God wants to be a part of us, share our life, and have us share his life with us. Just as the food we eat literally becomes a part of us, the Lord wishes to become intimately connected with us in our body, our soul, our very being.

“God became human so that humans could become God.” When we really appreciate God’s love and the fact that “we are what we eat,” communion, partaking of the body and blood of the Lord, makes complete sense! God wants that to flourish in us. And so, come to the table of the Lord! This is the only place that the food served does not become a part of us since we become a part of it! When we eat this bread and drink this cup, we proclaim that we are the body of Christ alive in this world. The body of Christ - we become what we eat!! Think about it!

## **RESPECT LIFE**

### **June – 8<sup>th</sup> & 9<sup>th</sup> months**

St. Mary's Respect Life Minister has placed the 8th "Little One" poster in the vestibule of the church. This is the last in the series of "Little One" posters displayed during this most recent Spiritual Adoption Program. We will celebrate the birth of our Spiritually Adopted babies in **July** with a Baby Shower for BirthRight Crisis Pregnancy Center. Please watch the bulletin for information. Meanwhile, don't let up on your prayers for your personal "Little One." He/she is still in danger of abortion during these last weeks of his/her pre-born life!

The following text is on the poster:

### Eighth and Ninth Months (size: about 18 inches)

In the last two months the baby continues to gain weight. She is developing a layer of fat that will keep her warm after birth. In the 9<sup>th</sup> month she will shift to a head-down position, preparing for birth. Her lungs are now fully developed and capable of making the transition to breathing air. After birth she will continue the human growth process for approximately the next 80 years.

**Fathers' Day** is June 18. Praise God for making men in His image and giving us the perfect plan for family. Good Saint Joseph was the earthly father for Jesus and showed us obedience to God in the way he protected and cared for Mary and Jesus. Please pray that all men can follow the example of Saint Joseph.

## **PARISH INFORMATION**

### CHURCH RENOVATIONS

We will be doing renovations to the outside of the church. There will be three projects – painting the outside including the bell tower, replacing the loose slates on the roof and bell tower and the demolition of the chimney.

As you can see the painting project has begun and it could take approximately 4 to 5 weeks.

The repairs to the roof will take place while the painting is being accomplished

The demolition of the chimney is necessary because it is getting cracks in it and also it so not very attractive. We hope this will be completed within a week, but no guarantee. Each block is taken down one by one. We do not have a start date as of now.

During this time period, especially taking down the chimney, the handicapped ramp will be roped off and cannot be used for safety precautions.

We will keep you informed of dates and times as soon as we have them. I ask you to be patient and understanding during this renovation period.

Thank You  
Fr. Kunkel

If you are looking for a way to get involved in the parish in a ministry that is very rewarding and only requires 2-4 hours of your time per year, we would like you to consider joining St. Mary's Baptism Prep Team. Baptism Prep catechists teach only 2 classes per year. Currently, we have 6 adults on the team who have been doing this

ministry for close to 25 years. We would like to add an additional 6 members so that each month, 2 adults would host the class together. There are no special training classes necessary to attend in order to become a baptism prep catechist. The training would be on-the-spot while working with an experienced teacher. Please contact Janice Bowman at 717-382-4198 if interested, or speak to one of the team members. Thank you!
