FROM FR. KUNKEL

Many years ago, a book entitled "The Big Fisherman," by Lloyd C. Douglas, made the best-seller lists. The book contains a scene in which several of the Apostles are wondering aloud about Jesus: "Why did he do this?" "Why did he do that?" At one point, Peter says, "Don't forget, we couldn't understand why he wanted to leave Canaan and go to Capernaum!" Thomas mumbles, "That was different. He felt he was urgently needed there." Andrew observes, "Maybe he feels that he is now needed elsewhere." James adds, "I don't believe he cares very much whether we understand him or not!" Bartholomew says, "You are right, Jimmy, he's teaching us to have faith in him!" Thomas argues, "But can't a person have faith and understand too?" To which Bartholomew says, "No, that's what faith is for! It's when we can't understand!" Peter chimes in, "That's true. When a person understands, he doesn't need any faith!" Philip complains, "I don't like to be left in the dark!" Peter answers, "If a person has enough faith, he can find his way in the dark — with faith as his lamp!"

"Your endurance will win you your lives," says the Lord. With patient endurance, hold onto a simple old-fashioned faith in God and his loving kindness and you will be empowered to give of the gentleness of your heart. The bad news you will read in your newspaper and see on TV this week to the contrary notwithstanding, God is still God! He is acting in history! He will not abandon us! When the going gets rough, hang in there, and let the love you bring into the situation be a clear and convincing sign of the God of love! Are you listening?

Post-Abortion Healing: Project Rachel Baltimore is the church's ministry which operates as a network of professional clergy, licensed counselors and volunteers all trained to provide one-on-one spiritual and psychological support for those who are suffering from the trauma of abortion. Project Rachel Baltimore offers special Rachel's Vineyard weekend retreats and Come to the Waters day retreats several times a year. Rachel's Vineyard is the world's largest ministry for healing after abortion. For more information about Rachel's Vineyard, go to www.HopeAfterAbortion.org, projectrachel@archbalt.org or call 410-625-8491.

Physician Assisted Suicide: Legislation has been introduced in the Maryland General Assembly for the past two years that would allow doctors to legally prescribe a lethal dose of drugs to a patient who is deemed mentally competent and who has received a terminal diagnosis. The legislation, referred to by its proponents as "death with dignity" is unnecessary, flawed, and lacks safeguards. A broad coalition of disability advocates, members of the medical community, patient advocates, and religious organizations, known as "Maryland Against Physician Assisted Suicide," has formed to fight this bill. The coalition is continually growing and we urge you to join the effort to defeat this dangerous bill. Call to Action: Contact your legislators by visiting: Maryland Against Physician Assisted Suicide at www.StopAssistedSuicideMD.org.

"The couple that loves and begets life is a true, living icon...For this reason, fruitful love becomes a symbol of God's inner life... The triune God is a communion of love, and the family is its living reflection." ~Pope Francis, *Amoris Laetitia (The Joy of Love)*
